A.K High School and College, Dhaka
Group: Science
GPA: **5.00**

## Publications & Appearances

- **"Mining educational data to predict student's performance," Springer, 2021.**

In this paper, we have analyzed the academic results and behavior of some engineering students with a tool named **WEKA**. Our main goal is to predict the students' performance. According to this prediction, the counseling department will guide them in advance so that those who are likely to have bad results can do better.

## Work Experience

**Accounts officer**                                                                 **2021-03 – 2021-12**
**Midway Securities Limited.**
Swantex Building 9/I, Motijheel C/A, Dhaka-1000, Bangladesh.
